SB 604	Perata	Cumulative contributions	Amended 6/10/03
---------------	---------------	---------------------------------	------------------------

Reintroduction of SB 3 (Commission sponsored) of last session, joined with several other provisions. Defines "cumulative contributions" to be those contributions received beginning 12 months prior to the date the committee made its first expenditure to qualify, support, or oppose the measure and ending within seven days of the time the advertisement is sent to the printer or broadcast station. Also modernizes the language of the Act relating to the filing of a statement of organization by deleting a reference to filing by telegram, and adds methods for filing, including facsimile transmission and guaranteed overnight delivery. **Recently amended to reform the slate mail disclosure statutes at issue in Levine v. FPPC. Urgency clause. Recommendation: Continued sponsorship, since the latest amendment resolves slate mail disclosure issues.**

Allows a state candidate, until the end of the fifth business day after the deadline, to file nomination papers, to change his or her statement accepting or rejecting the voluntary expenditure limits at any time prior to the deadline for filing nomination papers, provided that he or she has not exceeded the voluntary limits. This bill would prevent a candidate from changing his or her statement more than twice after the deadline. **To be heard 7/2/03 in Senate Elections. Commission Position: Support**

AB 1623 Longville Public financing of elections: freedom drafts Amended 4/21/03

Repeals the prohibition on using public funds to obtain elected office. SB 641 Brulte Campaign expenditures: telephone advocacy Amended 3/27/03

This bill would change the definition of “mass mailing” found in the Act from “mail” to a specific definition of what items delivered to a person constitute a mass mailing. It also adds language to the act prohibiting the expenditure by a candidate, committee or slate mail organization for anonymous telephone advocacy for a candidate, ballot measure, or referendum. This would not apply to telephone calls made by the candidate, campaign manager, or volunteers. **Urgency clause. In Assembly Elections Committee. Scheduled for hearing July 8, 2003. Commission Position: Support if amended to require retention of the text and/or recording of the call, and to require disclosure of the candidate or committee at the beginning of the call. The author’s staff informs us that they will accept the former amendment, but not the latter.**
